

Living in the Light, Part 1

Living in the light of Jesus;
I will live in the light.

Living in the light of Jesus;
I will live in the light.

He will lead me step by step and
I will do what's right.

I will follow Him and leave the darkness behind.

I will live, I will live in the light, live in the
light.

I will live, I will live in the light.

Fair is the sunshine, fairer still the moonlight
and all the twinkling starry host;

Jesus shines brighter, Jesus shines purer than all
the angels heav'n can boast.

Living in the light of Jesus;
I will live in the light.

Living in the light of Jesus;
I will live in the light.

He will lead me step by step and
I will do what's right.

I will follow Him and leave the darkness behind.

I will live, I will live in the light, live in the
light.

I will live, I will live in the light, live in the
light.

I will live, I will live in the light!
