

Thank you, God, for my Family

Love is a thing our fam'ly needs to fill our thoughts, our words, and deeds.

Love is a thing our fam'ly learns through prayer, and worship, and God's word.

I thank you, God, for my family, and for all the love they give to me.

Love is a thing our fam'ly shows when tears of joy or sadness flow.

Love is a thing our fam'ly shares to help us listen, serve, and care.

I thank you, God, for my family, and for all the love they give to me.

Love is patient, love is kind.

Love is hopeful all the time.

Love forgets when it is wronged.

Love continues on and on!

Love is a thing our fam'ly needs to fill our thoughts, our words, and deeds.

Love is a thing our fam'ly learns through prayer and worship, and God's word.

I thank you, God, for my family, and for all the love they give to me.

I thank you, God, for my family, and for all the love they give to me.
